

MACH MARTIAL ARTS

ASSISTANT INSTRUCTOR SEMINAR

BUILDING UP LEADERS

ASSISTANT INSTRUCTORS

The Assistant Instructor Program is designed to provide Black Belts the opportunity to mentor their juniors alongside our Head Instructors.

Do you have what it takes to be a Leader?

*“Leaders are the ones who run head first into the unknown. They rush toward the danger. They put their own interests aside to protect us or to pull us into the future. Leaders would sooner sacrifice what is theirs to save what is ours. And they would never sacrifice what is ours to save what is theirs. **This is what it means to be a leader.** It means they choose to go first into danger – head first toward the unknown – and when we feel sure they will keep us safe, we will march behind them and work tirelessly to see their visions come to life and proudly call ourselves their followers.” – Simon Sinek*
